
PRESENTING A TOPIC

GENERAL TASK DESCRIPTION

You are going to present a visual input and prepare a handout about a topic you choose and a visual input of your choosing. It has to be one of the following:

- cartoon
- photo or illustration
- statistics

The oral presentation and the handout count as **one additional written mark** (it makes up **20%** of your **written grade**).

PREPARATION AND HANDOUT

- You **choose your topic** and **research your visual input** online.
- Prepare a **handout** including the following information:
 - Your visual input (cartoon, photo, illustration or statistics) and its source (website and the date you accessed the website)
 - A description and analysis of the visual input (notes)
 - Important vocabulary you need for the description, analysis or discussion – the vocabulary has to include a definition in English or a German translation
 - Important vocabulary about the topic – the vocabulary has to include a definition in English or a German translation
 - 2 discussion questions with at least 3 arguments
 - Mind map of the topic – it has to include at least 10 branches and contain an overview of the different aspects of the topic and details about the different aspects
 - present 5 key aspects of your topic in a detailed way – each aspect has to include at least 5 pieces of information – write full sentences

ORAL PRESENTATION

- Part 1: Your oral presentation (ca. 3 minutes)
 - Your oral presentation should take **3 minutes**
 - It has to include: the description and analysis of the visual input and presentation of one of the discussion questions including your arguments
 - Follow the steps described on the worksheets for the description and analysis of the visual input.
- Part 2: Discussion (ca. 2-3 minutes)
 - You will then be asked **an additional discussion question**
 - **Discuss** the question **with your teacher**.
- Part 3: Talking about a quote (ca. 2-3 minutes)

- You will be given a **short quote** which you have to read.
- You will then **discuss the quote with your teacher**.

DATES

- **Hand in your visual input** with the topic of your presentation and the discussion questions **on Wednesday before your oral presentation**.
- Hand in your **handout two weeks after your presentation**. If you don't hand in your handout on time, you will receive the grade 6 for all parts which include the handout.
- You can only **postpone** your **oral presentation** or hand in your **handout** later if you **hand in a medical certificate**. Please inform the teacher as soon as possible. This does not apply in case of an emergency.

PLAGIARISM

- **Don't copy** any sentences from your sources. Try to write down your own sentences.
- If you use **copied sentences or paragraphs without quotation marks and/or mentioning the source**, your work will be **graded with a 6**.
